The Reason for our Hope, 2021 Annual Diocesan Appeal

September 20, 2020 is “Commitment Sunday”, when parishioners are asked to commit to donate to the annual diocesan appeal. With our society’s current situation, (n.B. polite words used there), your donations and pledges will be more crucially needed than in past years.

The annual appeal is used for operating grants to parishes and schools, care for retired and infirm priests, deacon formation, seminarian education, Catholic Charities, Catholic schools tuition assistance, campus ministry, marriage and family life, correctional ministry, stewardship education, and development support for the parishes of the Diocese of Fort Worth.

As has been mentioned before, a number of parishioners of St. Benedict’s are actually employed or volunteer in these ministries and programs, while others receive the benefits of these programs.

Since we are restricted from distributing commitment cards at Mass., we suggest online donations to the annual appeal through the following link:

<https://bit.ly/ADADonate>

Be sure to specify St. Benedict Parish to be credited for your pledge or donation.

Since the list of parishes is alphabetical, we appear at the top of the list with no place to hide.

It is not only the amount pledged or donated; the number of households involved is also taken into consideration.

Our parish goal for this year is \$18,400.00.

Last year, 17 households contributed \$9,206.00 to the annual appeal.

If you would like a printed form/hard copy mailed to you, please contact the office at the above phone number, or at the following email address:
